Mr. Steinmetz:

Thanks for returning my call, and as discussed I have been asked to assist Huhtamaki with a response to the EPA Region III letter from Ms. Joanne Marinelli dated February 7, 2013, regarding the Safety Light Superfund Site.

We have begun the search for documents and information identified in EPA's request and need an additional 30 days to respond.

This is to confirm my request on behalf of Huhtamaki for an extension of time of an additional 30 days from March 7, 2013 for our response, and I appreciate your verbal agreement to that extension.

You are welcome to call with any questions or observations, I and respectfully request a response confirming your acknowledgement of this email and the extension.

Regards,

Dave Tripp
